TRADEMARK
REEL: 003402 FRAME: 0957

SHORT FORM TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 3, 2006, among Metaldyne Company LLC (the "Borrower"), Metaldyne Corporation ("Holdings"), the Subsidiary Parties listed on Schedule I hereto (the "Subsidiary Parties" and, together with the Borrower and Holdings, the "Grantors") and JPMORGAN CHASE BANK, N.A. (f/k/a The Chase Manhattan Bank), as Collateral Agent (the "Collateral Agent").

Reference is made to the Security Agreement dated as of November 28, 2000 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Metaldyne Company LLC (f/k/a Metalync Company LLC), Metaldyne Corporation (f/k/a Mascotech, Inc.) and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Amended and Restated Credit Agreement dated as of August 18, 2006 (as amended, supplemented or otherwise modified from time to time (the "Credit Agreement") among Holdings, the Borrower, the Foreign Subsidiary Borrowers party thereto, the Lenders party thereto, JPMorgan Chase Bank, N.A., as Administrative Agent, and Deutsche Bank as Syndication Agent. The obligations of the Lenders party thereto to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.03 of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, each Grantor's right, title or interest, to or under the following Collateral as defined in the Security Agreement now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, but excluding intent-to-use applications, prior to the

filing of any statement of use with respect thereto or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II;

all goodwill associated with or symbolized by the Trademark Collateral;
and

all assets, rights and interests that uniquely reflect or embody such goodwill.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

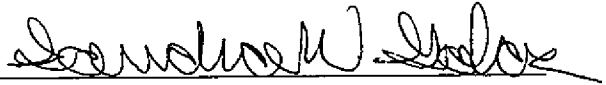

SECTION 4. Termination. Upon the indefeasible payment in full of the Obligations and termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement
as of the day and year first above written.
